State Office Contact Information

Please send your Site Identification Form to the appropriate State or EPA Regional Office listed below. Call or email the contact identified below for additional information. The list of contacts is up-to-date as of March 2005.

Note: Some States use the Federal Form, available at:

<http://www.epa.gov/epaoswer/hazwaste/data/form8700/forms.htm#waste> while others use a State Form because it supports their programs. See the list for this information.
